The Impartation

God imparted the vision to the late Bishop Don L. Bradford to build the Kingdom of God through evangelism. For this to happen, Bishop Bradford knew that it was necessary for the people of God to be equipped with the Word of God in a way that would infiltrate the Kingdom of God. He began training Deacons / Deaconess and other leaders in the church on how to lead using God's principles of Stewardship. Bishop Don L. Bradford heard from God to expand this training to the city of Baton Rouge and surrounding areas. He shared this vision with his wife, kids, and church family. He was unable to physically see the manifestation of this vision come into fruition before he passed, but he had no doubt that the vision would manifest, as God had promised.

The students enrolled in the Don. L. Bradford Bible College will be spiritually empowered to impact the Kingdom of God.

The Purpose of the D.B.B.C

The Don L. Bradford Bible College is designed to develop Kingdom Business minded leaders in the church, impart strategies for breakthrough thinking, speaking and living, while embracing a culture of healing and deliverance.

Our Commitment / Our Mission

The Don L. Bradford Bible College is committed to systematically training leaders that will breakthrough to new heights in God and move forward in His purposes.

The Don Bradford Bible College Statement of Faith

(Philosophy is adopted from Charity Christian Center Church)

1. **We believe** the Holy Bible is the inspired and only infallible and authoritative written word of God.
2. **We believe** there is one God, eternally existent in three persons: God the father, God the Son, and God the Holy Spirit.
3. **We believe** in the Blessed Hope – the rapture of the church at Christ's coming.
4. **We believe** the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ.
5. **We believe** in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of God, in His personal future return to this earth in power and glory to rule a thousand years.
6. **We believe** that regeneration by the Holy Spirit is essential for personal salvation.
7. **We believe** in the sanctifying power of the Holy Spirit by whose in-dwelling the Christian is enabled to live a holy life.
8. **We believe** that the redemptive work of Christ on the Cross provides healing of the human body in answer to believing in prayer.
9. **We believe** that the baptism in the Holy Ghost, according to Acts 2:4, is given to believers who ask for it.

HONOR CODE

As essential members of the DBBC family, students must clearly recognize that all of us have a desire to further develop and exhibit responsible and mature behavior. That goal is a basic premise of the personal Honor Code. At DBBC, students pledge to endeavor to present a good appearance always. In both attire and behavior, students should strive to demonstrate good taste in all instances. The way they present themselves to others is of vital importance to the way others perceive Christ. An individual's conduct should never be an embarrassment to others but should exemplify the best qualities of a mature and respectful student.

Exemplifying the highest moral commitment, DBBC students refrain from profanity, smoking, gambling, alcoholic beverages, dishonesty, illegal drugs, and all behavior that might cause Christ to grieve. As responsible learners, students should make every effort to be prompt to classes. Classes and worship services at local churches are all integral parts of the DBBC lifestyle.

DBBC students are committed to developing their minds by doing their own academic work. They do not engage in plagiarism, whether accidental or intentional. Plagiarism is the inappropriate use of others' ideas or information, such as using sources without citations or direct quotes without quotation marks. Even paraphrasing or summarizing without giving credit to the original author is considered plagiarism.

The students and administration of Don Bradford Bible College affirm that, regardless of faith, creed, or race, all students admitted to the college must agree to uphold the Honor Code and the rules governing DBBC. No time, place, or circumstance gives release from the individual's initial promise. The Honor Code is a way of life, measured by the heart and commitment of each member of the DBBC family, and students should regard it as essential to development, not as an imposition or restriction.

Transfer Credits

DBBC accepts courses from regionally accredited institutions. Regionally accredited means that an institution is accredited by one of the six regionally stipulated accreditation agencies approved by the U.S. Department of Education. Technical or vocational courses are not ordinarily considered for transfer. No credit is given for any course with less than a "C" level grade. Transfer credits from institutions that are not regionally accredited may be accepted on the same basis they are accepted by the reporting institution in their own state.

A maximum of 15 semester hours may be transferred into DBBC from an accredited institution. The last 45 semester hours of a degree program must be taken at DBBC. Transcripts submitted to DBBC become the property of DBBC and are stored in students' permanent files. They cannot be copied or reissued except for on-campus advisement purposes, in which case the documents are delivered directly to academic departments.

ASSOCIATE DEGREE COURSES

BKT330: ***Breakthrough Thinking***
A healthy renewed mind is one of the most powerful assets that a believer can have in this life. Developing the mind of Christ in our thinking patterns and behavior will release a supernatural sense of destiny of purpose and a sense of inner identity of knowing who we are in Christ. In this class, you will learn how to move with the Holy Spirit in quiet confidence. You can start to allow dreams and visions of the Holy Spirit to become an integral part of your thinking patterns and walk in the supernatural creativity of divinely inspired spontaneous thoughts.

BUS110; BUS220; BUS330; BUS440: ***Business Track (I, II, III, IV)***
The courses in the Business Track are each anchored on Kingdom Principles of accessing financial wealth God's way. Explore solutions to financial problems and discover how what appears to be the worst times in the world's economic system, is an opportunity for God's people to invest in their financial education.

BUS-330: *Poverty, Riches & Wealth* by Kris Vallotton
This course provides a biblical perspective on financial stewardship, abundance, and generosity. Students will analyze the difference between poverty, riches, and true wealth while confronting limiting mindsets about money. The course emphasizes how Kingdom prosperity is rooted in generosity and freedom rather than accumulation.

COH440: *Culture of Honor*
In this class, the church is revealed as a place of freedom, respect and empowerment and healthy discipline (not punishment). A Culture of Honor challenges the status quo of church leadership structure and presents a refreshing view of the five-fold ministry. If those with power learn how to empower those around them, then surely it will come to pass that, "That kingdom come, thy will be done on earth as it is in Heaven." You will learn to apply the truths revealed in this practical yet supernaturally charged set of principles to relationships in your family, workplace, community, ministry, church – wherever you deal with others. This class advocates a significant paradigm shift in church life, government, and relationships.

CON110: *The Law of Confession*
The Law of Confession is designed to develop and enhance the natural and spiritual truths associated with the cause and effect of WORDS that are spoken out of a person's mouth. Success and failure are in our WORDS. Controlling your words is one of the biggest challenges anyone will face in life; the Bible reveals that the power of life and death are in the words you say. When you begin to change the words you speak, you will rewrite your future and revolutionize your life.

EXP110; EXP220; EXP330; EXP440: *Experiential Learning*
In this course, students are required to complete a portfolio that reflects their life learning experiences that can be counted towards their degree. The purpose of this project is for students to summarize and evaluate experiences, both inside and outside of the ministry that contribute to building and shaping their Spiritual growth. Students must complete 3.0 credit hours of experiential learning each semester of their program. The maximum percentage of life leaning experience is up to 25% of the degree requirements.

FMG220: *The Gifts of Ministries of the Holy Spirit (Fivefold Ministry Gifts)*
